VS. EXCITEBIKE™

Nintendo®

THE FAST TRACK TO FUN

VS. EXCITEBIKE, part of the VS. SYSTEM™

Games that never stop earning.

GET IN ON THE MX-CITEMENT

UPRIGHT/VS DUALSYSTEM (Dual Monitor)
Dimensions 45¼" (W) × 33½" (D) × 67½"(H)
Weight 375 lb

Riders take to the dirt on a course that combines speed with driving strategy and skill. After qualifying to compete, players go for the win against their computer opponents. But, look out! There are oil slicks to dodge and jumps to clear as riders vie for position in a race to the checkered flag.

VS. EXCITEBIKE is part of Nintendo's VS. SYSTEM™ of interchangeable games. It is available in a dedicated version for the new single monitor VS. UNISYSTEM™ or the VS. DUALSYSTEM™. Or, it can be purchased as a VS. PAK™ release for your VS. SYSTEM.

UPRIGHT/VS UNISYSTEM (Single Monitor)
Dimensions 23¾"(W) × 32⅜"(D) × 68⅜"(H)
Weight 250 lb

Don't miss out on the MX-citement. Get VS. EXCITEBIKE and get on the fast track to higher profits.

VS. EXCITEBIKE, part of the VS. SYSTEM—Games that never stop earning.

SIT-DOWN/VS DUALSYSTEM (Dual Monitor)
Dimensions 27"(W) × 38"(D) × 34½ – 42"(H)
Weight 205 lb

Pictured: Sit-down model with optional leg extension
